YOU'RE INVITED TO AN OPEN HOUSE FOR THE INFRASTRUCTURE IMPROVEMENTS PROJECT SILVER LAKE, MINNESOTA

The Infrastructure Improvements Project will be discussed at open houses to be held Thursday, April 9, 2026, from 12:00 p.m. to 1:00 p.m., and from 6:00 p.m. to 7:00 p.m. in the Silver Lake Auditorium (320 Main Street West). This is an "Open House", so come when you can, and stay as long as you'd like. This open house is intended to provide you with an opportunity to discuss the project prior to construction resuming this spring and to address questions you may have. Project scope maps and preliminary assessment maps will be available for review. It will also give you the opportunity to make the engineer aware of any special problems the project could address. The anticipated scope for 2026 is as follows.

Areas to receive final lift of pavement, final turf establishment, and striping:

- Lane Avenue from Main Street to Highway 7
- Nome Avenue from Center Street to Frank Street
- Oliver Avenue from Main Street to Center Street
- Lake Avenue
 - From Gehlen Drive to Cleveland Street
 - From Frank Street to Highway 7
- East Avenue from Center Street to Frank Street
- Frank Street
 - From Lane Avenue to Oliver Avenue
 - From Summit Avenue to Lake Avenue
 - From Grove Avenue to East Avenue
- Center Street
 - From Lane Avenue to Park Avenue
 - From Grove Avenue to East Avenue
- Cleveland Street from Grove Avenue to East Avenue
- Merrill Street from Lake Avenue to Grove Avenue

Areas to be completely reconstructed:

- Oliver Avenue from Center Street to Frank Street
- Park Avenue from Main Street to Highway 7
- Tower Avenue from Cleveland Street to Main Street
- Queen Avenue from Center Street to Frank Street
- Rice Avenue from Center Street to Frank Street
- Summit Avenue from Center Street to Frank Street
- Lake Avenue from Cleveland Street to Main Street
- Highway 7 from Lane Avenue to 714 Hwy 7
- Frank Street from Oliver Avenue to Summit Avenue
- Center Street from Park Avenue to Summit Avenue
- Main Street from Grove Avenue to Century Lane
- Cleveland Street from Park Avenue to the Cleveland Lift Station

Areas to receive cured-in-place pipe lining for the sanitary sewer:

- Summit Avenue from Center Street to Highway 7
- Highway 7 between 900 and 916 Hwy 7
- Howard Street from Summit Avenue and Lake Avenue
- Main Street from Lane Avenue to Grove Avenue

(Continued on Back)

Improvements for total reconstructed areas will include, but not be limited to, construction of sanitary sewer, sanitary sewer services, water main, water services, service connections to the right-of-way line, storm sewer, drain tile, sump pump services, concrete curb and gutter, sidewalk, aggregate base, bituminous surfacing, turf restoration, and miscellaneous items required to properly complete the improvements.

Construction is anticipated to resume as early as mid-April, at which point, we will resume mailing weekly update letters to keep you informed!

If you cannot attend this meeting or would like information concerning the project, you can contact Sam Fink of Short Elliott Hendrickson Inc. (SEH®) at 763.447.1341 or sfink@sehinc.com.

WE HOPE TO SEE YOU AT THE OPEN HOUSE!
