

WATER SHUT OFF NOTICE
THURSDAY, MAY 7, 2026
9:00AM TO 2:00PM

If the shut off goes well, the affected area will only be Main Street between Grove Ave S. and Tower (black highlighted area on Main Street between Grove Ave S and Tower).

If there are issues with the valves when they go to shut off the water, then ALL areas WEST of Park Ave will be affected as well (ALL black highlighted areas).

If you received a notice hung on your door, please prepare for water to be off and then run your outside faucet before running water inside to clear the lines.

Sorry for any inconvenience this may cause and thank you for your understanding.
